**Hi-Tech Business Systems Ltd. is the Latest Addition to the Canon ISG Dealer Network**

The Canon Imaging Systems Group is very pleased to announce Hi-Tech Business Systems Ltd. as the latest addition to our Independent Dealer network.

Hi-Tech Business Systems Ltd. has grown over 21 years to become the largest provider of business solutions in Northern Alberta. They employ 45 business professionals focused on providing technology solutions to the North. The company is based in Grande Prairie and covers the surrounding areas including High River to the north, Salve Lake to the east, Grande Cache to the south, and Fort St. John, BC to the west.

Hi-Tech is a distinctive Alberta company valued by its customers, employees and shareholders; respected by competitors; acknowledged as a business leader, and considered an asset to the business community in Grande Prairie. "Our focus is to provide complete business solutions for our clients. Our primary focus is the sales of printing/copying devices as well as service, implementation and support of desktop, portable laptops and network systems", says Kevin Szakacs.
